## cetra f100

## 100W, 100/260VAC, DMX512 led fresnel luminaire

part # ■ 01101000 □ 01101001 □ 01101002 3200K part # ■ 01101100 □ 01101101 □ 01101102 5600K

Stylish, compact and extremely high efficiency 100W led fresnel luminaire featuring a PWM dimming power source.

Cetra is ideal in all those applications where heat and energy saving are a concern. Its attractive design makes it the obvious choice in shop displays, art displays and architectural applications where a theatrical-type luminaire is needed.

Cetra is available in 3200K and 5600K white light. A full range of accessories complements the range.
